

Mother Goose  
On The Loose  
Hatchlings

IN THE NEST  
**Song  
Booklet**

**All the songs from sessions 1-4**

**By Dr. Betsy Diamant-Cohen**

# Welcome new parents and thank you for joining us!

Science tells us that talking, singing, sharing books, and playing with your new babies helps to build their brains. Doing these practices daily with your babies has an amazing, positive effect on their development.

To your baby, your voice is the most beautiful sound in the world. Whether you sing on-key or not, your baby loves listening to you. To encourage you to talk, sing, share books, and play with your babies, *Mother Goose on the Loose Hatchlings* shares information about child development along with specially chosen songs and rhymes. This song booklet has the lyrics to the songs and rhymes used during all four *Hatchlings: In the Nest* sessions. It also includes links to websites where you can hear the music to a song or view someone singing and doing the actions to an activity.

After the *Hatchlings* sessions have ended, please use this booklet to continue talking, singing, sharing books and playing with your baby at home. Introducing new songs and books as your baby grows and attending programs offered by your local public library will build on the strong foundation that has already been started. And also, as one of the songs states, “because it’s fun to do.”

Wishing you many hours of joy with your baby,

*Dr. Betsy Diamant-Cohen*  
*Mother Goose on the Loose*

# Welcome Songs

## **If You're Happy and You Know It**

If you're happy and you know it,  
clap your hands.

If you're happy and you know it,  
clap your hands.

If you're happy and you know it  
and you really want to show it,  
if you're happy and you know it,  
clap your hands.

## **Since I love you very much I'll give a kiss**

Since I love you very much I'll give a kiss.

Since I love you very much I'll give a kiss.

Since I love you, love you, love you,  
and I'm always thinking of you,

Since I love you very much I'll give a kiss.

## Old Mother Goose

Old Mother Goose when she  
wanted to wander (*tap knees*)  
Would fly through the air on  
her very fine gander. (*lift hands up and around*)

## There Are Bubbles In the Air

(*tune: If You're Happy and You Know It*)  
There are bubbles in the air, in the air.

## It's Raining, It's Pouring

It's raining, it's pouring,  
The old man is snoring.  
He hit his head when he went to bed,  
And it grew to a bump in the morning.  
Rain, rain go away, come again another day. (2x)

## It's Raining, It's Pouring

*(adapted version)*

It's raining, it's pouring,

So I can't go exploring.

I see you hiding there. Peek-a-boo,

## I've Got Something in My Pocket

*(Adapted from a Girl Scout song)*

I've got something in my pocket,  
it belongs across my face.  
I keep it very close at hand,  
in a most convenient place.  
I'm sure you couldn't guess it  
if you guessed a long, long while.  
So I'll take it out and put it on,  
it's a Great Big Loving Smile!

We wave our arms together.  
Because it's fun to do.

We wiggle our fingers together.  
We wiggle our fingers together.  
We wiggle our fingers together.  
Because it's fun to do.

We tap our knees together.  
We tap our knees together.  
We tap our knees together.  
Because it's fun to do.

And we all wave "hello."

### Two Little Eyes to Look Around

Two little eyes to look around.  
Two little ears to hear a sound.  
One little nose to smell what's sweet,  
*(take a deep smell)*  
And one little mouth that likes to eat!  
*(make num-num noises)*

Can be viewed at:

### Opposites Song

This is big, big, big.  
This is small, small, small.  
This is short, short, short.  
This is tall, tall, tall.  
This is fast, fast, fast.  
This is slow, slow, slow.  
This is yes, yes, yes.  
This is no, no, no.

### And another tip...

An easy way to learn opposites is saying the words while acting them out.

## Ways to Say Hello

Foot wave  
Air bump  
Jazz hands  
Heart thump  
Thumbs up  
Clap hello  
Chicken wing elbow  
Rabbit ears  
Fish face

I bring you greetings  
From inner space

— Janet Wong

### And another tip...

The more words babies hear, the more words they will know.

## Put Your Finger In the Air

(tune of "If You're Happy and You Know It")

Put your finger in the air, in the air.  
Put your finger in the air, in the air.  
Put your finger in the air,  
And wave it way up there.  
Put your finger in the air, in the air.

Put your finger on your nose,  
Now touch it to your toes.  
Put your finger on your nose, on your nose.

### Can You Kick With Two Feet

Can you kick with two feet,  
two feet, two feet?

## This is Bill Rodriguez

This is Bill Rodriguez

*(lift baby's leg and bounce it gently up and down)*

And this is Juan Trim.

And Bill *(shake right leg)* asked Juan *(shake left leg)*

To play with him. *(shake both legs)*

Bill over Juan *(cross right leg over left slowly)*

Juan over Bill *(cross left leg over right slowly)*

Bill over Juan *(cross right leg over left a little faster)*

Juan over Bill *(cross left leg over right a little faster)*

Bill over Juan *(cross right leg over left faster)*

Juan over Bill *(cross left leg over right faster)*

Over and over as they rolled down the hill!

*(continue reciting and increasing tempo until it becomes a  
mush of hand and feet motions)*

Rhymes involving joint physical activity create quality one-on-one time while helping your baby let out some energy. As the rhyme gets faster and faster, the movements get faster and faster, and the result is often lots of giggles!

## We Walk and We Stop

And we walk, and we walk, and we walk, and we stop.

And we walk, and we walk, and we walk, and we stop.

And we creep, and we creep, and we creep,

The wheels on the bus go 'round and 'round,

## I Have a Little Shaker

I have a little shaker, I'll shake it in the air.  
I'll shake it over here. I'll shake it over there.  
It can be a carousel, going round and round.  
It can be a shooting star, falling to the ground.  
I had a little shaker, I'll shake it in the air.  
I'll shake it over here. I'll shake it over there.

Can be viewed at:  
<https://youtu.be/3yRh0M87lyM>

### Another tip:

Shakers are easily made by filling empty water bottles with dry rice or lentils, buttons, or beads. But always be sure to glue the cap on to prevent any choking hazards! And don't leave your baby alone with the shaker.

## We'll All Shake Our Shakers

## The Library Song

Oh, the place for you and the place for me  
is the local public library  
They have books and things that they lend for free.  
It's the latest, it's the greatest, it's the library.

Educational, informational,  
entertainment that's sensational  
It's a way of life, it's for you and me.  
It's the latest, it's the greatest, it's the library.  
(Dum ba da da da dum, dum dum)

### A tip:

The library has children's play areas, programs for parents with babies, books, computers and more. You can attend programs, watch movies, and read books online. And it's all free. So check out your local library!
