An interactive workshop
to support your growing baby!

Mother Goose On The Loose

Goslings

Month:

Time:

Where: NICU Family Lounge

Please sign up at the front desk.

Benefits:

- Reading and singing helps your baby's **brain development**.
- Reciting nursery rhymes and singing songs helps your baby get ready to **learn to read**.
- Babies exposed to books and reading **perform better in school**.

FREE Family Kit includes toys, books, a developmental guide and an activity booklet!

Multiple family members are welcome, including older siblings and adult family members. Families will receive one Family Kit per child in the NICU.

If you would like to attend more than one session, you may do so if there are vacancies. Families will not receive additional kits for attending more than once.
